

ENIAC

Eniac – Magist

Possible Partnership Data Analysis

NULL but Emotionally Available –
Erick, Oleh, Mark, Manuja, Belinda

Our Recommendation

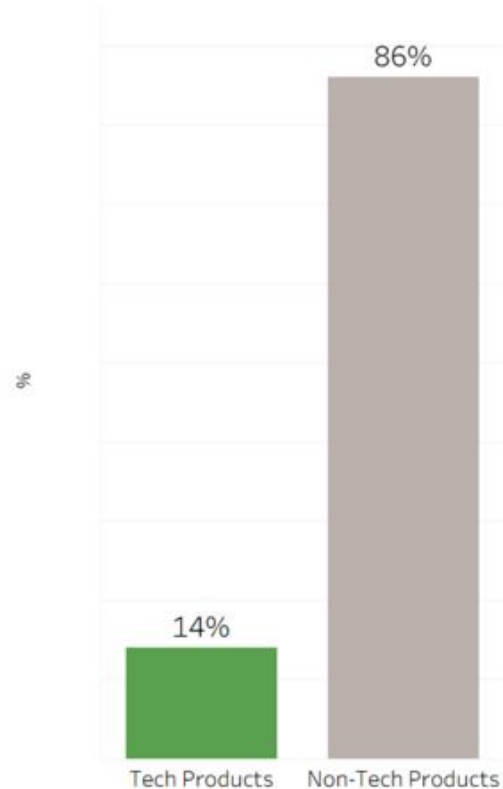

NO PARTNERSHIP

– Magist Product Catalogue –

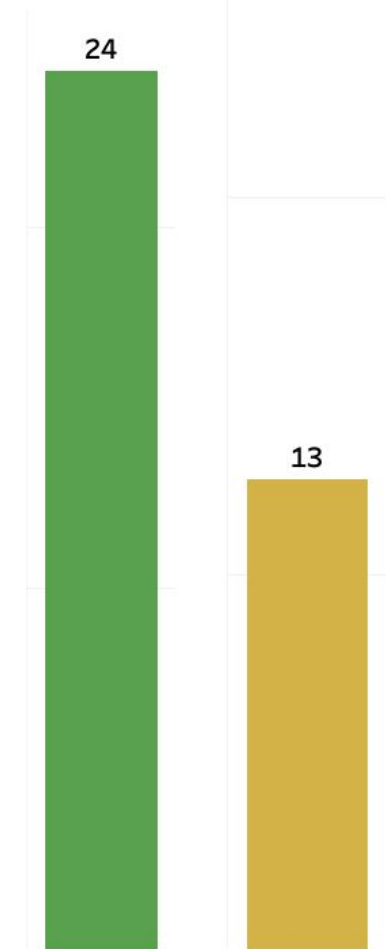

– Magist's Delivery Times –

Low Percentage of **Tech Products** Being Sold by Magist

- Average Price of Tech Products sold by Magist:
120€
- Eniac's Average Item Price:
540€

Magist's Average Delivery Time

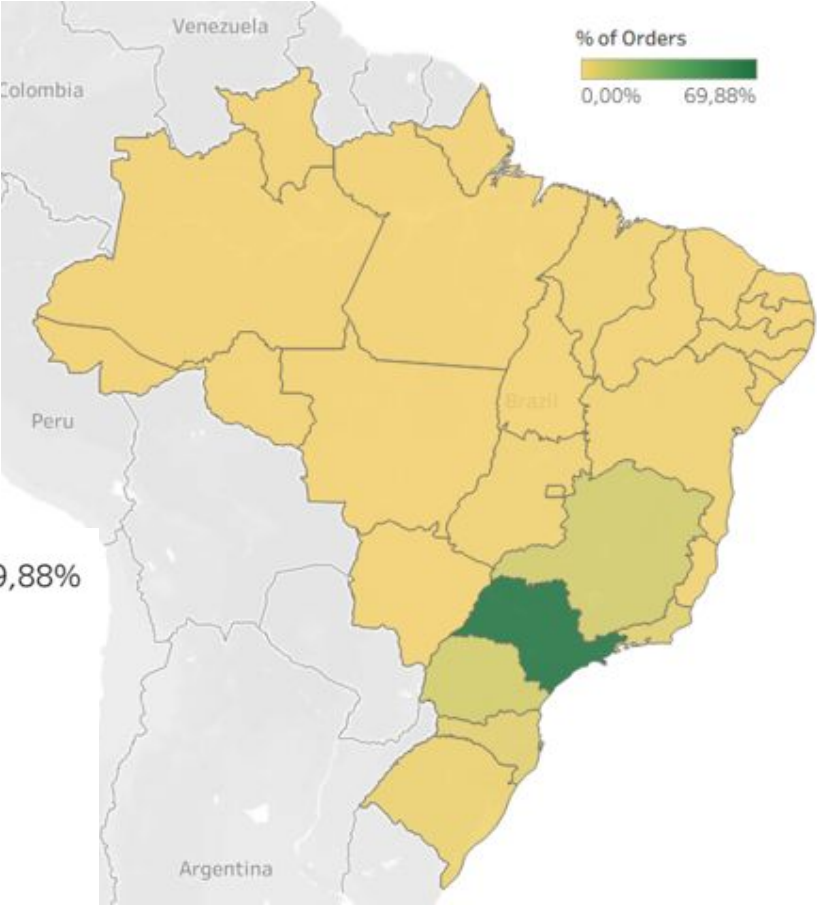

Average Estimated and Actual
Delivery Time (in Days)

- Large Difference between Estimation and actual Delivery Time
- Magist's Delivery Times do not match Eniac's Standards
- Average Deadline for Delivery in Brazil: **12 Days** (2015, Sieve)¹

Magist's Orders – State Breakdown

96% of Magist's orders come from customers living in the Top 10 Brazilian states in the Human Development Index (HDI)²

Conclusion

– Magist is optimized for non-tech products –

– Delivery times are too slow for Eniac's Standard –

=> **High Risk to Customer Experience and Satisfaction!**

Thank you!
